I INTERCONTINENTAL
COZUMEL RESORT & SPA

Set on the Marine National Park, home to one of the world largest and richest reef systems, Presidente InterContinental Cozumel Resort & Spa is a unique hideaway, secluded and surrounded by lush vegetation.

After a big renovation, this resort offers upgraded facilities and a unique vacation experience for the discerning traveler

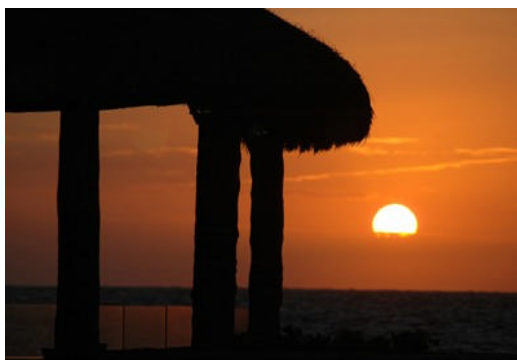

Heart's Desires

Since our Mayan ancestors, Cozumel has always been considered the special place. For our Mayan Ancestors, it was a sacred Island, home of Ixchel, Goddess of Fertility.

What better way is there to celebrate a special occasion than with all the finest, special touches only to be found at Presidente InterContinental Cozumel Resort & Spa. Elegant, luxurious, exhilarating, intimate and exceptionally romantic, there is no doubt that you will find all the magic you are looking for. Imagine strolling along a palm-fringed beach of pure white sand against a backdrop of sparkling Caribbean sea or sharing an exquisite dinner together with your loved one while watching the sun settle down at the horizon and the sky lighting up with thousands of stars.
